## 1stFriday.com: America's Black community - online

1stFriday.com, Inc. is an online media company focusing on local and user-generated content for African-American communities. Leveraging the grass roots First Fridays phenomenon and the power of Web 2.0 community tools, 1stFriday.com is the premier destination for African-Americans looking for local information, as well as social and professional networking opportunities. From entertainment to child-care to travel to home improvement, 1stFriday.com is the Black community's destination for information for us - by us.

"First Fridays" are social and professional networking events that are attended, primarily, by African-American professionals. "First Fridays" have been held since the late 1980's. From its origins in New Jersey, "First Fridays" has expanded to 35 cities in 7 countries. "First Fridays" events are organized and managed by local entrepreneurs who earn ticket, sponsorship and advertising revenue from their events.
